We certify that the above items have been reviewed in detail, they are correct and in strict conformance with the contract drawings and specifications except as otherwise stated, and the material source indicated above has been reviewed in detail and shall supply the submitted items in full conformity with timely delivery.

Engineer's Representative to enter Action Codes, Remarks, and return to Contractor.

Remarks: * CHECK COMMENTS WITH ATTACHED REMARKS SHEET.

Corrections or comments made relative to submittals during this review do not relieve the contractor from full compliance with the requirements of the contract's documents, dimensions selecting fabrication processes and techniques of construction; coordinating his work with that of other trades, and performing his work in a safe and satisfactory manner and correlating all quantities and conformance with the design concept of the project and general compliance with the information given in the contract documents. The contractor is responsible for the provided specifications. This check is only for general review
